Aloha,

Welcome to Aloha Council’s 2020 Scout Long Term Camp. It is our mission to provide your Scout with the best possible experience, leading them on a lifelong journey that reinforces the Scout Oath and Law. This camping experience will allow your Scout to develop their character through personal challenge and success. There will also be opportunities for advancement and leadership. At Camp Pupukea, you will find a friendly and inviting atmosphere. We take seriously the needs of every Scout, Patrol, and Troop, and work hard to assemble a staff of Scouts and adults trained in Scout skills, the teaching EDGE (Explain, Demonstrate, Guide, Enable) method, and Scouting Safely.

We hope this guide provides the information that you need to have a successful and enjoyable experience at camp this summer. In addition to all of the rules and regulations of camp, this guide gives you some insights into what programs and activities to expect. Please take the time to examine the Merit Badge schedule and be sure to review Adult Leadership requirements.

Once again, we would like to welcome you to this special place and encourage you to gain full access to opportunities at camp this summer. Resident Camp is important to the development of the youth in your unit with many frontiers and horizons open to them during their week of camp. Our staff is here to help and guide you every step of the way as we step forward into the future together.

Guiding Principles of Camp Pupukea

BSA Mission Statement

The mission of the Boy Scouts of America is to prepare young people to make ethical choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

Camp Pupukea Mission Statement

The mission of the Aloha Council Outdoor Program is to provide each Scout with a memorable and challenging outdoor experience. Camp Pupukea enriches the fundamentals of Scouting through unique opportunities for leadership and educational growth. All programs and activities will be guided by the principles of the Scout Oath and Law.

Scout Oath or Promise

On my honor I will do my best
To do my duty to God and my country and to obey the Scout Law;
To help other people at all times;
To keep myself physically strong, mentally awake, and morally straight

Scout Law

A Scout is …
trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent.

Camp Pupukea is an equal opportunity facility that does not discriminate on the basis of sex, color, race, creed, or religion.
Camp Pupukea Overview

Camp Pupukea is a 65 acre Nationally Accredited Camp. It is three miles above the famous Waimea Bay and Sunset Beach on Pupukea Road. Directions

From Honolulu:

H1 passing Waipahu, merge onto H2 Freeway Northbound, through Wahiawa and end of freeway. Continue on Kamehameha Highway through Haleiwa. About 0.5 mile past Waimea Bay, turn right at the traffic light on Pupukea Road across from the Sunset Beach Fire Station and adjacent to Foodland Super Market. Follow Pupukea Road for 2.8 miles to Camp Pupukea Road. Camp is at the end of the road on your left.

From Kaneohe:

Stay on Kamehameha Highway past Kaaawa, Hauula, Kahuku and Sunset. Turn left at the traffic light on Pupukea Road across from the Sunset Beach Fire Station and adjacent to Foodland Super Market. Follow Pupukea Road for 2.8 miles to Camp Pupukea. Camp is at the end of the road on your left.
Pupukea road has sharp turns and is well used by pedestrians, equestrians, and the military. Please drive carefully. The speed limit is 25 MPH.

Parking at camp is very limited and carpooling is encouraged. Vehicles must be reversed into each stall, facing forward in order to expedite evacuation. Parents are to drop off Scouts and depart, parking for guests not staying overnight is on the street.

One vehicle per campsite will be allowed to enter camp for loading and unloading of Troop equipment only. Vehicles must have a road guard walking in front of the vehicle and hazard lights must be on. All vehicles entering camp must abide by camp speed limit 5 MPH. All Scouts must transport their personal gear and are not allowed to ride in vehicles. Carts are provided to help transport gear to and from campsites.

Check-in and Check-out Procedures

Before arrival at camp: Each unit should hold a familiarization meeting with the Scouts and their parents. Covered shoes are required for everyone in order to be on camp property - NO EXCEPTIONS. You will not be able to enter beyond the parking lot if you do not have covered shoes; this includes family members that may be joining their scouts periodically throughout the week. This is a good time to share details of camp, confirm schedules, answer questions, and to secure required paperwork, such as parental consent forms. Make sure each Scout and adult has completed the Annual Health and Medical Record No. 680-001_ABC, available on www.scouting.org. This health form is good for one year. Part C is required for any event over 72 consecutive hours. Refer to the BSA policy at http://www.scouting.org/scoutsource/HealthandSafety/ahmr.aspx.

Arrival on the first day: Check-in begins at 1:00 PM on Sunday afternoon. A camp staff member will greet each troop at Aloha Pavilion and conduct an orientation tour of the camp. The troop adult in charge will proceed to the Weinberg Lodge to begin the check-in process. Troops will be assigned a time to return to the Pool area for their swim tests. Provisional campers should inform the registration desk of their status at check-in.

**There will be no early arrival at camp**

Check-in and Check-out Procedures (continued)

**Monday Arrivals:** We will accommodate any troop that chooses to arrive Monday. Troops arriving on Monday must alert the camp director of their intention, and complete all of their registration process before arriving at camp. Check-in time for Monday arrivals begins at 7:00 AM. No troop will be assisted before that time. Swim tests for these campers will be held immediately following lunch. Troops arriving on Monday should also have a leader attend the SM/SPL meeting on Sunday at 4:00 PM.

**Registration Timeline**

**April**
- All troop members and leaders schedule their health evaluation.
- Start collecting DUES and FEES from parents and Scouts.
- Submit Camp Reservation form along with $100 deposit/reservation fee

**May**
- Troop Committee collects all individual health forms.
- Scouts, with approval of Scoutmaster, select their Merit Badge schedule.
- MAY 15, 2020 final numbers and camp fees are due to the Aloha Council.

**June**
- Merit Badge selections are completed online by adult leader.
- Check on final transportation arrangements.
- Dietary restriction communicated to camp director by June 1, 2020.

**Departure on the Last Day of Camp:**
- Checkout begins immediately following breakfast on Saturday. Troops are welcome to pack their campsite and gear and leave it at your site to await the vehicle to load.
- Troops will be provided a checkout clearance form to assist with the process. Return all gear to the Quartermaster. QM will sign the clearance form.
Check-in and Check-out Procedures (continued)

• The camp gate will open at 7:00 AM for cars to enter to load gear (ONE vehicle per troop policy will be enforced). Troop SPL will alert the camp staff when gear is cleared from the campsite and is ready for inspection.

• The camp inspector will sign the clearance form once the campsite passes inspection.

• Return summer camp evaluation form (received earlier in the week) to the Program Director

A checkout packet will be issued to the adult leader and will contain the camper’s health forms, signed Merit Badge cards, camp patches, and the 2021 camp reservation form. Checkout must be completed no later than 10:00 AM.
Common Requests for Special Needs

Menu Alterations

We anticipate having campers and leaders with a variety of special dietary needs including: gluten, eggs, milk, nuts, or personal (vegetarian), religious (pork) beliefs and/or other allergies. Communicate these needs by **June 1, 2020** to the Camp Director. We will do our best to accommodate these requests. If we are unable to accommodate these requests, we will contact your unit Camp Contact listed on the reservation form and inform them of this. If this happens, you will need to provide your own food and your camp fees will be reduced by $100.

Wheelchair and Limited Mobility Access

Camp staff will make every effort to place those with mobility challenges in campsites closest to the center of camp. Camp Pupukea has limited wheelchair access to tents, restrooms, and other campsite features. Communicate these needs by June 1, 2020 to the Camp Director. If you have access to an off-road wheelchair, that will make your mobility around camp easier. Only approved private vehicles with a Camp Pass on their dashboard will be permitted in camp.

Vehicles In Camp

Private vehicles are not permitted in camp. Troops are allowed to transport troop equipment to campsites on the first and last day of camp, then immediately return to the parking lot. No Scouts are allowed to ride in vehicles in camp.

CPAP (Continuous Positive Airway Pressure) Machine

For campers with CPAP machines, please note that campsites do not have electricity and sleeping areas are not available in buildings at camp. To prepare for camp, two options are suggested:

- Avid campers may consider purchasing a battery-operated CPAP machine. A good source for battery-powered CPAP machines is www.cpap.com. If charging a battery-operated CPAP is required during daytime hours, please schedule charging times with Camp Director.

- Those who use a machine that requires 120v AC power (household current) can bring an inverter and an automobile battery. This is a proven method for many campers over the past several summers. Please note that vehicles cannot be parked in or near campsites for the purpose of powering CPAP machines.
Telephone

Starting on June 21, 2020, phone messages will be taken for campers, leaders, or staff attending Camp Pupukea and handed out at the next mealtime. The camp telephone number is (808) 638-8373. The camp telephone should be used for emergencies and official camp business only. Scouts are discouraged from bringing cell phones and electronics to camp.

Mail

Mail received for Scouts and leaders will be delivered daily to the unit leader, at the next mealtime. **Please mark the envelope with the session number and take into consideration the mailing time.** Use the following address to send mail to your Scout:

Scout’s Name,  
Troop #, Session Number  
Camp Pupukea, BSA  
59-780 Pupukea Road  
Haleiwa, HI 96712

Internet Service

Internet service is available at the Lodge for adults only. See the camp director for the password.
Swim Classification Procedures

All youth and adult participants are designated as swimmer, beginner, or nonswimmer based on swimming ability confirmed by standardized BSA swim classification tests. Each group is assigned a specific swimming area with depths consistent with those abilities. The classification tests must be renewed annually, preferably at the beginning of the season even if the Scout has earned the Swimming Merit Badge.

Camp Pupukea aquatics director requires the swim classification test to be conducted at camp due to the unique water conditions and hazards in Hawaii.

**Swimmers Test:** Jump feet first into water over the head in depth. Level off and swim 75 yards in a strong manner using one or more of the following strokes: sidestroke, breaststroke, trudgen, or crawl; then swim 25 yards using an easy resting backstroke. The 100 yards must be completed in one swim without stops and must include at least one sharp turn. After completing the swim, rest by floating.

**Beginners Test:** Jump feet first into water over the head in depth, level off, and swim 25 feet on the surface. Stop, turn sharply, resume swimming, and return to the starting place.

Anyone who has not completed either the beginner or swimmer tests will be classified as a nonswimmer.
2020 Scout Resident Camp
Meal Services

All meals, except Wednesday dinner, will be prepared and served in the Camp Pupukea Dining Hall unless your troop has registered for Troop Cooking at campsite for a reduced fee (**see below). All Scouts, Leaders, and Staff are expected to adhere to the camp food service schedule. All Dietary need requests are due by June 1, 2020 to the Camp Director (see page 13).

The Camp Pupukea camp menu is developed and portioned following USDA Nutrition Guidelines and Boy Scouts of America National Camp Accreditation standards by a registered dietician. Address any concerns to the camp director.

Wednesday night is troop cook night. Food is provided by Camp Pupukea and will be distributed Wednesday afternoon. The food distributed will be one hamburger patty with bun, one hot dog with bun, one bag of chips, carrot sticks, and condiments for each person.

**Troops have the option of cooking in their campsite for their entire session of resident camp. Troops choosing this option will bring their own food and are invited to participate in the Friday night family dinner (**10 per person additional charge, due by Wednesday**) if they choose.

Friday evening Camp Pupukea hosts a Family Night Dinner. Parents and guests are invited to attend. The cost per non-registered visitor is $10.00. Troops are required to give a headcount of their guests by Wednesday afternoon. Meal tickets can be purchased at the Trading Post.
Medical Services

The Camp Health Lodge is staffed 24 hours a day by qualified medical personnel. For insurance purposes and for the health and safety of all participants, all accidents and illnesses, no matter how minor, must be reported to the Health Lodge and recorded. Arrangements have been made with the local rescue squads and hospitals to handle any medical emergencies. National standards require that any person staying overnight must have a valid medical form. Late arrivals should report to the camp director office and then to the Health Lodge.

Annual Health and Medical Record-Parts A,B&C

Every Scout and adult leader must submit a Personal Health and Medical Record upon arrival at camp. Leaders should provide a copy of the newest version of the medical form available online. Please understand that the BSA Annual Health and Medical Record is the only medical form recognized by Boy Scouts of America. Tips for completing this record are also located on the above website.

Prescription Medications

The Aloha Council Requires that all prescription and over the counter medications be stored under lock, except when in the controlled presence of health care staff or other adult leader responsible for the administration and/or dispensing of medications. Emergency medications such as inhalers, epipens, and nitro should be maintained on the patient’s person. Refrigerated medications must be stored at the Health Lodge. All medication should be in a container issued by a pharmacist with the medication name and strength, the dose and dose frequency clearly marked on the container. Each unit must make a decision to either maintain control of its medications or turn them over to our health officers for administration.
Medical Services and Medical Records (continued)

If your unit chooses to maintain control of its medications, one adult leader must be designated as the unit health officer and sign the waiver shown below. All participants taking medications must fill out the Prescription Medication Dosing Form prior to arrival at camp (we recommend that the unit health officer perform this task so that he or she is familiar with the medications). Please use one form for each participant and list the medication, dosage, and dosage schedule shown on the prescription. Each unit should be prepared to show these completed forms at check-in to the camp health officer, and keep them updated throughout the week at camp as medications are used. Please leave these completed forms at camp when you depart. The forms will be maintained safely in the permanent camp medical files.

Unit Health Officer Waiver Form

By signing below I acknowledge that I am responsible for keeping my troop’s medications under safekeeping, as well as distributing said medications as noted by given instructions on the Prescription Medication Dosing Form. Camp Pupukea, Aloha Council is not liable for the administration of medications not in our possession.

I also agree to document all given doses of medicine on the attached form. I agree to keep this form in an easily accessible location. I understand that this form must be turned into the Camp Pupukea health officers on Friday night.

Additionally, I acknowledge that I attended a medication consultation with the health officers on staff.

I understand that the Aloha Council is not liable for any damages that arise from failing to comply with these instructions.

Health and Safety

The Following are Prohibited:

• Fireworks.
• Alcoholic beverages or illegal drugs.
• Flames in tents.
• Pocket knives over four inches long or sheath knives
• Personal firearms.
• Bicycles.
• Pets.
• Smoking is, at best, a poor example for Scouts. Use or possession of tobacco products by anyone under the age of 21 is illegal in Hawaii. All camp buildings are smoke-free environments. Designated smoking area is the camp parking lot.

Vehicles, Trailers, and Parking

• No riding outside of a vehicle’s enclosed passenger compartments. This means no rides on hoods, trunks, fenders, tailgate, or in the bed of trucks. No Scouts in vehicles.
• Seat belts must be worn at all times.
• The camp speed limit is 5 MPH.
• Troops may take one vehicle at a time to their campsite to load/unload gear; at all other times vehicles must be in their designated parking lot
• Trailer parking at campsites is allowed, but not guaranteed. Plan accordingly.

Initiations

Older Scouts sometimes feel that new Scouts should be “initiated into the troop with a physical activity or other embarrassing stunt”. Behavior such as snipe hunts, running the gauntlet, belt line, or similar punishment has no place in Scouting and is not permitted. Leaders should be alert to this possibility and direct the youth efforts into meaningful programs.

Liquid Fuels

The use of liquid fuel stoves and lanterns in a campsite is permitted under the supervision of an adult leader. Under no circumstances are liquid fuels or lanterns allowed in tents.
Infectious Disease

Camp is a tight community where pathogens can spread rapidly. It is extremely important that units immediately report all illness to our health officers. If a participant is sick with nausea, vomiting, diarrhea, or fever prior to camp, please leave that person at home to recuperate.

Recipe for a Safe, Enjoyable Week at Camp

• Drink lots of water
• Take a shower every day
• Get plenty of sleep
• Wear sunscreen
• Wash your hands
• Be careful
Emergency Procedures

Minor Accidents and Emergencies

Minor accidents may be treated with first aid in campsite, but must be reported to the camp health officer. When in doubt, check with the camp health officer.

Major Accidents and Emergencies

Please notify the camp health officer and/or camp director immediately of all major accidents and emergencies. An incident report is required to be filled out by camp staff. Present all known facts. Do not make statements to any outsider and refer any inquiries from the press to the Aloha Council Office.

Lost Camper

Unit leaders should be aware of the approximate locations of all Scouts at all times. Periodic head counts are suggested. If a Scout is missing following a search of the camp site, notify the camp director immediately.

Emergencies Requiring Camp Mobilization

Upon hearing sirens the entire camp assembles in unit formation at the camp parking lot. A fire drill will be conducted at noon on Monday and the assembly will occur at the assembly yard. Adults must bring their car keys to help expedite evacuating the camp in an emergency.

There is a cost associated with both ranges. These cost help to cover the cost for ammo and maintenance. the cost for rifle is $1 for 10 rounds - limited to $5 per person. The cost for Archery is $0.50 for unlimited arrows per day.
**Scoutmaster Program**

**Scout master Build your own club Golf**
We will be continuing the annual Camp Pupukea scoutmaster golf tournament. The highlights of this tournament include the designs of the scout master club and ball. The only rule is that the club and ball are made with materials found in camp. All leaders are welcome to join. The rules for this tournament will be covered in the scout master meeting on Sunday.

**Scoutmaster disc golf**
The course will be set up around camp. All the discs are provided. All leaders are welcome to join.

**Scoutmaster award**
This award is available for all leaders to earn. Like the Honor troop leaders will have to earn a certain amount of points to earn the award. The score sheet is available in the appendix.
Camp Pupukea is in the process of transitioning class registration systems. We will get the information up as soon as possible.

Watch for more information on this process via email or on the http://scoutinghawaii.org website.

Please refer to merit badge program schedule in this Leader’s Guidebook on page 32 and merit badge Prerequisites on pages 34-50.
Merit Badge Application Procedures

• Prior to the scout signing up for any class the scout should meet with the scoutmaster. In this meeting the scoutmaster should ensure that the scout understands the requirements for the merit badges they want to take. The scoutmaster should also check to make sure the scout can complete the requirements (i.e. taking swimming merit badge but can't swim). We want all scouts to succeed and part of that is making sure they can do what is required of them.

• After Scouts have been registered for their classes, the adult leader may begin to fill in their respective Merit Badge applications (Blue Card).

• Merit Badge applications (Blue Card) must be signed by the Unit's Scoutmaster to be valid.

• Be sure to hold onto the troop’s Merit Badge applications until arrival at camp.

• For troops that did not fill them out ahead of time, Merit Badge applications may be purchased upon arrival to camp. These will need to be completed and you will receive further instruction at the SM/SPL meeting on Sunday.

• Merit Badge applications should be given to the Program Director at check-in on Sunday.

• Do not give the Merit Badge applications to the Scouts or to the Merit Badge instructors

• At the conclusion of camp, on Saturday morning, the adult leader will receive an envelope with all of the Merit Badge applications. Please audit them prior to leaving camp.

• For troops departing camp early, Merit Badge applications will not be ready prior to Saturday morning. Council units can pick up their unit’s Merit Badge applications from the Oahu Service Center during the week of August 10, 2020. Out of Council unit’s Merit Badge applications will be mailed to the unit.
This year we are asking that all scouts fill out the merit badge application (Blue Card) out prior to attending camp. Below is an example of properly filled out application.
Role of the Adult Leader

All Adult Leaders should expect to assist the camp staff in providing a safe, fun experience for the Scouts. Leaders are:

• Responsible for maintaining unit safety and discipline at all times. This includes safe travel to and from camp.

• Responsible for coordinating all unit and individual activities to ensure maximum benefit to participants.

• To be aware of each youth’s personal goals and objectives in order to promote Scouting’s Advancement Program. For the Scout Merit Badge program, please refer to the Merit Badge schedule and prerequisites.

• To participate in camp activities on a daily basis. This includes program area visits, punctual attendance at designated meetings, and the collection of progress reports on each youth’s activities.

• To be prepared to help and assist others, specifically other camping units and staff personnel as needed. Assistance should be given in a spirit of mutual cooperation and support but not at the expense of one’s own unit.

• To monitor and evaluate unit and individual progress in camp and to provide counseling, guidance, and encouragement.

• To review the daily schedule of unit activities with fellow leaders before departure of campsite.

• To be sure that each adult leader and the Senior Patrol Leader complete and turn in camp evaluations. These forms are the primary means of evaluating the program and staff for each week of resident camp by the camp and program directors to determine if there is a problem that should be addressed immediately. In addition, they are studied in great detail by members of the Outdoor Program Committee of the Aloha Council to recommend improvements for the next year.
Role of the Adult Leader (continued)

• Expected to serve as a positive role model for the youth. This includes language, attitude, and behavior.

• Be an active participant in all emergency drills.

• Knowledgeable of all camp rules, policies, and procedures.

General Discipline

Discipline and conduct of all youth and leaders is the responsibility of the unit leaders in camp. The camp leadership team is ready and willing to assist at any time with problems that might arise. Unit committees should be sure that the camp leaders are trained and they understand their responsibilities while at resident camp.

Standards of Conduct for Adult Leaders

Boy Scouts of America Policy Preventing Child Abuse has been adopted as a critical objective of the Boy Scouts of America. The assistance of every adult leader is essential to success of the camping experience. The guidelines listed on the next page are designed to protect Scouts against child abuse and adult leaders against misinterpretation of their intentions. Anyone who has questions should consult with the camp director. If faced with difficulty in complying with the guidelines and no advice is available, use common sense and the principles of the Scout Oath and Scout Law.
Role of the Adult Leader (continued)

Guidelines for Adult Leaders and Parents

All Adult Leaders in camp must endeavor to protect Scouts from physical abuse, which is understood to mean the sustaining of physical injury as the result of cruel and inhumane treatment or as the result of a malicious act and, sexual abuse, i.e., any act involving sexual molestation or exploitation of a Scout, by any person who has permanent or temporary care, custody or responsibility for the supervision of Scouts or a Scout.

- All adults in camp must understand their responsibilities and the limitations placed on their relationship with Scouts. Care in selection, training, and supervision is critical.
- Adult leaders and Scouts never sleep in the same tent.
- Adult leaders must always shower separately from Scouts.
- Adult leaders and junior leaders must not permit activities involving group nudity, such as skinny-dipping.
- Adult Leaders must avoid unnecessary contact with Scouts, such as placing hands on the legs and patting back sides.
- Scouts must always have at least one tent mate.
- In accordance with National Council policy, a minimum of two adult leaders must be present on camping trips and other group activities.
- Adult Leaders must never tell off-color stories to Scouts. A Scouter, as well as a Scout, is clean in mind and body.
- Adult Leaders must hold conferences with Scouts in open settings where they may be seen (but not heard, if discussion is confidential) by others. Avoid rooms with closed doors, closed tents, or other secluded locations.
Role of the Adult Leader (continued)

- If a Scout complains or comments about an experience with an adult that may suggest physical abuse or sexual molestation or an invitation to molestation, take him or her seriously. Remember that the Scout is not likely to articulate his or her complaint in an adult manner. It may take the form of declining to associate with a particular adult leader for no apparent reason or abruptly leaving the unit.

- An adult leader who observes another adult relate to a Scout in a manner that is not clearly objectionable, but which might be misconstrued as leading to child abuse, should warn the person so observed to avoid conduct that may be misunderstood.

Reporting Child Abuse

Our camp staff has received training to deal with potential victims of any kind of child abuse. If you suspect that a Scout in camp is a victim, report this to the camp director immediately.

Camp Program and Advancement

Advancement

Scout resident camp has traditionally been viewed as a convenient place where Scouts can earn several Merit Badges in a short amount of time. At Camp Pupukea, however, we offer much more than Merit Badges. During their week at camp, Scouts will grow mentally, physically, and spiritually as they interact with their peers in a safe and positive environment that revolves around recreational swimming, hiking, shooting, campfires, sports, and games. Though advancement is still integral to our camp experience, Camp Pupukea encourages and offers opportunities for much more than organized lessons encouraging all our units to take advantage of these opportunities.

Merit Badges

All badges will be taught based on the requirements found in the most recent edition of the Merit Badge pamphlet. It is the responsibility of each Scout to choose and prepare for each Merit Badge that they wish to take in advance of their week at camp.

Prerequisites exist for many of the badges and are outlined in this guide. To prevent partials, please make sure the Scouts come to camp with these prerequisites completed and appropriate proof of completion (i.e. examples of their work or a note from their Scoutmaster).

Merit Badge and Program Difficulty Scale

**Advanced:** Program in this category are the most difficult to complete at summer camp due to the course content, number of prerequisites, and expected ability level of the Scouts. Advanced badges are highly recommended for your oldest Scouts who are First Class and above.

**Moderate:** Program in this category can be easily earned at camp by experienced Scouts but have a few prerequisites to complete at home.

**Basic:** Program in this category have few, if any, prerequisites. These courses are excellent for Scouts of all ages and ability levels.

**Indian Lore (Basic)**

Scouts will learn about the native American culture. **Prerequisite:** requirement 2,5. **Cost:** $20.00 for required kits.

**Basketry (Moderate)**

This is an excellent badge for young Scouts. Scouts will use weaving skills to make two baskets and a wooden stool. **Cost:** Up to $20.00 for required kits.

**Leatherwork (Basic)**

This is a great badge for younger Scouts, allowing them to demonstrate their skills in making their own knife pouch. **Cost:** Up to $20.00 for required kits.

**Woodcarving (Moderate)**

Not recommended for Scouts with little knife experience. Participants should bring a sharp, lockblade pocketknife. **Prerequisite and cost:** must have Totin’ Chip. Up to $15.00 for material.
The purpose of the Outdoor Skills Program is to help Scouts develop the basic skills of hiking and camping. To teach Scouts to appreciate and understand the outdoors by making the best use of their own faculties and their natural surroundings. To train units in the skills of campcraft and woodcraft so that they will be proficient campers.

The Hawaiiana Award is unique to the Aloha Council. The program is designed to educate interested Scouts on Hawaiian heritage.

**Prerequisite:** Write a 750-word essay on pre-European history of the Hawaiians. It is suggested to use the library or online resources. This essay must be brought to camp. Upon completion, each participant will receive a patch. Hawaiiana medal is an additional fee - $30 each.
Brownsea Island Adventure

Background

The original Brownsea Island is located in Poole Harbor, England, and was the site of World Scouting’s founding event. From August 1-8, 1907 Lt. Gen. Robert Baden-Powell and Major Kenneth McLaren took 21 boys from lower, middle, and upper-class families camping as an experiment for his book, Scouting for Boys. Baden-Powell’s revolutionary idea was to teach camping, observation, woodcraft, chivalry, life saving, and patriotism. Fundamentally, the purpose was to teach young men to “be prepared”.

Program Philosophy

Brownsea Island Adventure is designed for new Scouts. The program completes most requirements for Tenderfoot, Second Class, and First Class, but can be tailored, to an extent, to suit the needs of Scouts. This is a transitional program to help the scouts understand the patrol method, learn basic Scout skills, and experience many of the programs available at resident camp.

Program Goals

• To provide a well-organized program based upon the patrol method lead by qualified instructors.

• To maintain a ratio of 1 instructor to 12 scouts.

• To teach the basic skills necessary to succeed in Scouting and the outdoor program.

• To instill in scouts a respect for the Scouting Methods and Ideals found in the Outdoor Code and Scout Law.

• To provide an exciting and memorable resident camp experience.
Before Participating in Brownsea Island Adventure

Help the Scouts earn the Scout rank prior to resident camp.

Ask the troop guide or an older Scout to show the new Scouts how to read and use the Scout Handbook.

If your troop has more than three Scouts participating in the program, we ask that you provide an adult leader to assist the patrol guides throughout the week. This is an excellent opportunity for the new leader in your troop to learn about Scouting. Troops may rotate the leader through the week as needed.

Host a shakedown at a troop meeting prior to resident camp to make sure that the Scouts have all the equipment they will need at camp.

3c. Demonstrate a practical use of the taut-line hitch.

3d. Demonstrate proper care, sharpening, and use of the knife, saw, and ax. Describe when each should be used.

4a. Show first aid for the following: Simple cuts and scrapes; blisters on the hand and foot; minor burns or scalds; bites or stings of insects and ticks; venomous snakebite; nosebleed; frostbite and sunburn; and choking.

4b. Describe common poisonous or hazardous plants; identify any that grow in your local area or campsite location. Tell how to treat for exposure to them.

4c. Tell what you can do while on a campout or other outdoor activity to prevent or reduce the occurrence of injuries or exposure listed in Tenderfoot requirements 4a and 4b.

4d. Assemble a personal first-aid kit to carry with you on future campouts and hikes. Tell how each item in the kit would be used.

5a. Explain the importance of the buddy system as it relates to your personal safety on outings and in your neighborhood. Use the buddy system while on a troop or patrol outing.

5b. Describe what to do if you become lost on a hike or campout.

5c. Explain the rules of safe hiking, both on the highway and cross-country, during the day and at night.

8. Describe the steps in Scouting’s Teaching EDGE method. Use the Teaching EDGE method to teach another person how to tie the square knot.
Brownsea Island Adventure
Second Class Requirements

Participants in Brownsea Adventure will complete the following rank requirements:

1b. Explain the principles of Leave No Trace and tell how you practiced them on a campout or outing. This outing must be different from the one used for Tenderfoot requirement 1c.

2a. Explain when it is appropriate to use a fire for cooking or other purposes and when it would not be appropriate to do so.

2b. Use the tools listed in Tenderfoot requirement 3d to prepare tinder, kindling, and fuel wood for a cooking fire.

2c. At an approved outdoor location and time, use the tinder, kindling, and fuel wood from Second Class requirement 2b to demonstrate how to build a fire. Unless prohibited by local fire restrictions, light the fire. After allowing the flames to burn safely for at least two minutes, safely extinguish the flames with minimal impact to the fire site.

2d. Explain when it is appropriate to use a lightweight stove and when it is appropriate to use a propane stove. Set up a lightweight stove or propane stove. Light the stove, unless prohibited by local fire restrictions. Describe the safety procedures for using these types of stoves.

2f. Demonstrate tying the sheet bend knot. Describe a situation in which you would use this knot.

2g. Demonstrate tying the bowline knot. Describe a situation in which you would use this knot.

3a. Demonstrate how a compass works and how to orient a map. Use a map to point out and tell the meaning of five map symbols.

3c. Describe some hazards or injuries that you might encounter on your hike and what you can do to help prevent them.

3d. Demonstrate how to find directions during the day and at night without using a compass or an electronic device.
Participants in Brownsea Adventure will complete the following rank requirements:

4. Identify or show evidence of at least 10 kinds of wild animals (such as birds, mammals, reptiles, fish, or mollusks) found in your local area or camping location. You may show evidence by tracks, signs, or photographs you have taken.

5a. Tell what precautions must be taken for a safe swim.

5b. Demonstrate your ability to pass the BSA beginner test: Jump feetfirst into water over your head in depth, level off and swim 25 feet on the surface, stop, turn sharply, resume swimming, then return to your starting place.

5c. Demonstrate water rescue methods by reaching with your arm or leg, by reaching with a suitable object, and by throwing lines and objects.

5d. Explain why swimming rescues should not be attempted when a reaching or throwing rescue is possible. Explain why and how a rescue swimmer should avoid contact with the victim.

6a. Demonstrate first aid for the following: Object in the eye; bite of a warm-blooded animal; puncture wounds from a splinter, nail, and fishhook; serious burns (partial thickness, or second-degree); heat exhaustion; shock; heatstroke, dehydration, hypothermia, and hyperventilation.

6b. Show what to do for “hurry” cases of stopped breathing, stroke, severe bleeding, and ingested poisoning.

6c. Tell what you can do while on a campout or hike to prevent or reduce the occurrence of the injuries listed in Second Class requirements 6a and 6b.

6d. Explain what to do in case of accidents that require emergency response in the home and backcountry. Explain what constitutes an emergency and what information you will need to provide to a responder.

6e. Tell how you should respond if you come upon the scene of a vehicular accident.
Participants in Brownsea Adventure will complete the following rank requirements:

3a. Discuss when you should and should not use lashings.

3b. Demonstrate tying the timber hitch and clove hitch.

3c. Demonstrate tying the square, shear, and diagonal lashings by joining two or more poles or staves together.

3d. Use lashings to make a useful camp gadget or structure.

4a. Using a map and compass, complete an orienteering course that covers at least one mile and requires measuring the height and/or width of designated items (tree, tower, canyon, ditch, etc.).

4b. Demonstrate how to use a handheld GPS unit, GPS app on a smartphone, or other electronic navigation system. Use GPS to find your current location, a destination of your choice, and the route you will take to get there. Follow that route to arrive at your destination.

5a. Identify or show evidence of at least 10 kinds of native plants found in your local area or campsite location. You may show evidence by identifying fallen leaves or fallen fruit that you find in the field, or as part of a collection you have made, or by photographs you have taken.

5b. Identify two ways to obtain a weather forecast for an upcoming activity. Explain why weather forecasts are important when planning for an event.

5c. Describe at least three natural indicators of impending hazardous weather, the potential dangerous events that might result from such weather conditions, and the appropriate actions to take.

5d. Describe extreme weather conditions you might encounter in the outdoors in your local geographic area. Discuss how you would determine ahead of time the potential risk of these types of weather dangers, alternative planning considerations to avoid such risks, and how you would prepare for and respond to those weather conditions.

6a. Successfully complete the BSA Swimmer Test.
Participants in Brownsea Adventure will complete the following rank requirements:

6b. Tell what precautions must be taken for a safe trip afloat.

6e. With a helper and a practice victim, show a line rescue both as tender and as rescuer. (The practice victim should be approximately 30 feet from shore in deep water.)

7a. Demonstrate bandages for a sprained ankle and for injuries on the head, the upper arm, and the collarbone.

7b. By yourself and with a partner, show how to: Transport a person from a smoke-filled room and transport for at least 25 yards a person with a sprained ankle.

7c. Tell the five most common signals of a heart attack. Explain the steps (procedures) in cardiopulmonary resuscitation (CPR).
Gaga Ball Tournament

General Rules
1. All players start with one hand touching a wall of the pit.
2. The game begins with a referee throwing the ball into the center of the pit.
3. When the ball enters the pit, the players scream 'GA' for the first two bounces, and 'GO' on the third bounce, after which the ball is in action.
4. Once the ball is in play, any player can hit the ball with an open or closed hand.
5. If a ball touches a player below the knee (even if the player hits himself or herself) he or she is out and leaves the pit. If a player is hit above the knees, the play continues.
6. If a ball is caught on a fly, the player who hit the ball is out. The person who caught the ball will put it back in play.
7. Using the walls of the octagon to aid in jumping is legal as long as the player does not permanently sit on the ledge of the wall.
8. Players cannot hold the ball.
9. Last player standing wins
10. Have good sportsmanship

Tournament rules
1. 10 individuals will play in a round.
2. The game is single elimination
3. The last player standing advances to the next round.
4. Rounds will be decided at random
